

The US-made DG Equinox electric guitars honor classic designs, all while retaining their unmistakable appearance and delivering top quality. All Equinox guitars feature a master volume, master tone and 3-way Switchcraft pickup selector (unless specified otherwise). Rosewood fingerboard with small (3/32") MOP dots standard, unless noted otherwise.

- **Equinox H:** Les is more. Dual-humbucking design. Classic translucent sunburst finish over a AAA-grade flame maple top. Chrome Grover deluxe tuners with vintage keystone knobs. Gold bell knobs. Chrome string-thru-body hardtail bridge by Hipshot.
- **Equinox S:** Three single-coil pickups in a custom-cut white pickguard. 50s 2-tone sunburst finish. Chrome string-thru-body hardtail bridge by Hipshot. Push-pull tone pot activates middle pickup. Maple fingerboard with small (3/32") black dots.
- **Equinox B:** Twang-a-billy city. Two gold TV Jones Classic pickups. Translucent orange finish over AAAAA-grade flame maple top. Gold Bigsby B5 vibrato with Schaller roller bridge. Gold hardware.
- **Equinox T:** Two single-coil pickups within a black custom-cut black pickguard. Butterscotch semi-translucent finish over alder top. Chrome T-style bridge and hardware. Maple fingerboard.
- **Equinox R:** Welcome to 1964! Three classic chrome "toaster" pickups. Opaque black finish. Two volumes, two tones, 3-way selector within a custom-cut white 2-tier pickguard. Chrome Bigsby B5 vibrato with Schaller roller bridge.
- **Equinox X:** None more black. Two black Seymour Duncan P-Rail pickups with coil-tapping (SC/both/P90). Opaque black finish, black-dyed ebony fingerboard. Black string-thru-body hardtail bridge by Hipshot. All black hardware.
